Dear Small Folks:

Rec'd 2 letters from you
today & a couple from you
yesterday. Also a nice big one
from Miss Coss, your future
"dotter" in law. Today I saw
some one & sent her \$5 &
help her pay for my pictures,
which came to a total of \$13.95.

She is having one made for
you guys, too! You should
get it inside of a couple of
weeks. Hope you like it!

It has snowed here every
day since Xmas & is really
snowing, blowing, & cold here

Today. Burn!

You asked me to tell you
more about this camp. Well,
it is dirty & old, but not
too bad. We have several
General Stores - P.K.'s, Soda
Bar (sandwiches, Lem, pop, cookies,
jelly box, etc.), 3 Restaurants (By
the way, I got it in shape quite
of the new "Destination Tokyo"
last night), 3 Churches, Hair
Shop (long service), Barber Shop,
Photo Shop (but you already have
enough pictures of me & take care
of it), a cafeteria, & this
Service Club. You have probably
survived from my other!

believe that we have plenty of
 lumber here at the S. C. Mills
 on tonight. If we could just
 get more power, the place
 would not be so bad. The scenery
 - mountains - is so beautiful
 that it doesn't even look real. The
 farmers are black taxpayers &
 we have to keep our fingers going in
 the stone. The running
 of the yard here is very disorgan-
 ized so it is not too difficult
 to keep out of detail.

I finished my work this
 morning but I finished
 4 of my radio sets because
 I didn't expect to check today.

& hadn't studied for that exam.
I had to night school tomorrow
night - 5 & 12. I don't
feel so badly about it. This
dance don't few people can
make it after only a day & a
half of school. I'll pass it
in a few days. I passed my
Factual Procedure, 18 wpm
in evening, 16 wpm in reading,
& 8 of the 12 picture sets so
I guess I didn't do it bad. All I
have to do now is pass those other
4 sets & I'm done!

You know that ewell
wool scarf you sent me

for Karna & Well, some
son - - - - - still it.

I was so mad I almost
tore the blanket up but couldn't
find it.

I brought a 100% wool
shower sweater today for
\$3. It's kinda mild & fits fine.
It's not so bulky as that big
sweater & is plenty warm.

So Jimmy is waiting some-
thing he should do, eh? Ha. Ha.
I like it & hate to nag him
about it.

So you had a 7 day vaca-
tion, eh. Dad? Why didn't you
all ~~don't~~ eat here for a day there.

Some day I'll write to you.
With love and news!

Oh, by the way. Rather
still love me. Mmmmm!!

Do I sound lovesick & silly!

Yes, I've noticed that in
mail when you get those much
quicker so I bought a lot
of air mail stamps + told agency
to get me some stamps + envelopes
so I guess you won't have to send
any for a while. I hope so anyway.
Let them, too! Thanks!

I'll send you
Love
John.
