Hello Small Folks!

This will have to be short
as I forgot to bring my own pen
& am using one of the Hotel's
& it isn't worth a d. I also
have a date - for the first time
since I've been away from home.
This is a very nice girl, a small
dancer & a lot of fun.

Rec'd from Little, & my lunch-
case this morning. Every thing
was small, &, Mom, can you
send some more of those
small crackers again soon? They
are all gone! I packed my
lunches & then left in such
a hurry that I forgot to bring
it & won't send it. I'll send

it out Monday. Thank a
million + more!!

Say, Dad. I'd like to have
fun at your party. Sounds
like you had a swell time.
Set a place for me next time,
will ya & thank!

Yes, Dad, I remember Bob.
He also played ~~back~~ ball so I'm
gonna send the clipping on to
Bob. He was a good sport &
swell guy.

Didn't fly this morning
because of weather conditions
but are slated to go up tomorrow
afternoon. Have hope we do!

When are you planning to come
out, Mom & Son. I hope. Much
as I hate to say so, I know I'll
not get a furlough. I'd sure
like to see you again, Dad & Mom ^{too,}

But I guess it'll just have to be
this way. Damn this war. I'm
glad I'm going overseas! I'll
get this war - - - over
in a hurry so I can get back
to you, Ruthie, Bud Lee, & start
back to college. For a few things
I show some people out there!!

I got the point so tell next
time, I guess you know - I
love you all -

Love
G. W. D.
