I'll be sure to have some money.

Speaking of money, (Lulu)

- due to a new fountain pen (8.75),
wrist watch (3.50) stationery etc. (3.00),

Cross (25.00), Polo shirt (5.00),

20th of the month. To help me,
some day for your lava & take
care of my money!!

I was glad to get the
digging today. These Butts

Like the smell of my
pipe? He's going strong!

Say, Dad, you know
the head on your razor - the
part that has the small hole
in it? Well, a big hole is
developing in it & it kinda
cuts more than head once in
a while. See if Leo has any
of 'em will you? Thanks. I'll
look out for 'em. Dad.

I also need a slip for a
package, which I imagine

ARMY AIR FORCES

is my handker. The ~~post~~

when I got the ship so I'll
get it tomorrow. I don't leave
it out & know that you've done
a "daisy" wonderful job on it,
Mam. You always do! If

saves time, it's fine, & I got
a much better job done by
reading it to you. I hope it
isn't too much trouble. Many

I hope that you all &
I are better by now
