Dear Swell People:-

This has gotta be short cause I have a brief in an hour + have a lot to do before then.

Recd. your letter of Thurs. this noon + also 2 very welcome checks.

Am so glad to know you are making arrangements with Ruthie + that you can afford the double dose of love, Dad. Thanx! It means an awful lot to me. I can hardly wait to see you both.

Poe is gonna try to get me 2 days off + I got

paid the 31st. I can hardly believe it's true. And less than a week away! Oh boy!!

Sis off this Tuesday & Sis goin. I have to get the room. They all very scarce as I may have to name Hotel Rooms. A single hotel room can be had for $3 a day & it's reported. I'll do my best!

I want to thank Pat morning & I imagine the 3 of us will go next Sun. I know Ruth & I will go & I wish you'd come, Dr. Mom. How about it.

I'll phone you tomorrow

coz so you'll know all of this before you get the letter.

The snow is all gone & with the exception of a little wind, it's pretty nice out today.

Was out on the mat- found an range for 2 hours this morning.

I hope you are feeling well enough to come out. Mom. I feel fine!!!!

Hate to do it but I gotta quit so till tomorrow — Be seein' ya!

Love Shawn..
