Dear Family &

Whew! If you send any more money, please send it in a letter. I've been walking for 2 hrs. First I had to walk clean over to the other side of camp, about 3 mi. to get the telegram from the telegraph office. Then I had to come clean back to my squad room Office N. A. & have it signed by a Lt. Now I have to walk way back, almost to the telegraph office & have it ~~signed~~ cashed. I am appalled the dough, I am in flat broke but if you send any more please make it by mail. Thanks.

I'm supposed to be sleeping now because I go to school at 10:30 tonight so this will be a short letter. I have to get up at 8:30 this eve.

Got a letter from Ruth today.
Forwarded from St. Pete. It was
a swell letter. I'm going to phone
her Mon. morn. + you guys the same
night - unless we have Tues. morn.
off. I'm not to sure but I think
I'll be able to manage it Mon. morn.

I got my Air logs insignia this
morn. + the enclosing one is the en-
velope.

I was on Latrine Detail this morn.
Cleaned out the shower room. I'm
glad his starting school tonight.
We can't suppose I get any detail
or K.P. or anything while we're going
to school as long as we behave +
I'm planning to be an angel + a
studying fool.

If I want to stay awake tonight
I'll be in school this off.
Love
Shad
