Dear Swell Family:

I'm waiting for chow + then have
I get ready for inspectors, finish the letter,
study, + get to bed about 2:00. I
really don't have time to write but I got
2 small letters from you yesterday + just
didn't have time to answer them. I didn't
get to bed till 4 as it was + I'm sup-
posed to be there at noon. At school, have
Calculus, clean the benches, eat quick,
study, + then try to find time to write letters.
Oh, Boy!! Some life. It'll be worth it
though. I also got 2 letters from Ruth
+ one from Lois Putschman yesterday.
I just finished writing Ruth a short
letter.

By the way, before I forget it. I'm meaning
to have you send some hangers or I can't
buy any here. About 4 wooden + 4 wire
hangers, no pants hangers or wire not

SIOUX FALLS, S. DAK.

Allowed to have them. Please send him
right away as I need him bad. Thanks!

And, mother, about your coming out
here. Wait till sometime in May at
least. You see, I'll get a pay by the 31st
of this month & will be able to send you
some money & help you come out here. You
said as soon as Dad started back to work,
you'd have bills - I know better than
that. Please do as I say.

Tough luck about Gordon washing out.
What was wrong? I'll probably do the same
thing on my ears. Be sure & let me know
his address.

And please don't put too much on the
officer stuff. I'm going to do my best
but that is really a big order. Bigger
than you think.

Boy, am I hungry.

Sorry but I've gotta quit & get ready
for the personal inspection this afternoon.
I've gonna try to be done studying by
2:00 this afternoon.

I'll try to write tomorrow.

Love
Glen
