Dear Dad + Duke!

Ack, I have 8 letters
here from you + Mom + I
don't know when I wrote last.
I'm awfully sorry + it won't
happen again, I promise!

Well, I made stuff the
day Mom + Ruthie got here
but didn't know it till today.
Ruthie likes, eh?

I had a 2 day pass - Sat.
+ Sun. + some time today
so I was with Ruthie all the
time she was here + will
have plenty of time with Mom.
It was wonderful there

Ruthie out here. + is wonderful that Mom can stay. I wish Ruth could have stayed longer but no soap.

Mom + I have been to

a couple shows, shopped, walked around, talked, + are having a swell time in general.

Just phoned her I let her know that I'll be in from 7 & midnight tomorrow eve.

I wish I have her alone but it can't be helped, darnit!

Thank a lot, Dad, for making this trip possible.

I'll send you some money one of these days. Love again!

thinking of & thanking you
soth a lot. —

Love
Shirley

P.S. Be good & don't throw
