Dear Respect Family:-

I'm sorry I didn't get a letter off
to you yesterday but I just couldn't make
it. I planned to write one soon as
I finished the papers but I didn't even
get them finished till a little while ago.
I sure appreciated them. Sure not
back memories. Say did they ever
get our names on that board
at the court house?

I got your box of oranges &
candy - Thanks - Boy, you know
how I go for that stuff! Mmm mm!!
Say, Mom, do you suppose you could
bake a spice cake with it on? I
don't care what kind of shape it's in!
Just so I get it!! If I get home
you'd sure better have one for me!!

I got a letter from Loggansham
yesterday. He's gonna send me the

-2-

money he owes me soon. I am
can live it.

I'll phone you on pay day, the
16th or 18th - no - it'll be the 20th -
that's true. - in 2 weeks. I'd phone
you this Tues. but I know you
can't quite afford it yet. I'd sure
like to but I just can't do it.

Dad, when you wrote me a letter
again - compare your handwriting
with this. The only diff. I can see
is that yours is a little smaller.

The hand of my Dad, the Temper
of my mother, & I wish I had
the size & look of my kid brother!
See, I'd sure like to be home to
see you play ball this fall, Dad.
Hope I get home by then.

We are getting our time a
little more organized now & I have
just a little more of it. We don't go
to bed till noon for one thing &

we now clean a little differently.
Each guy has his job to do from
now on - every day. I'm going to
make sure all clothes are hanging
in the proper order & manner, all
buttons buttoned on the clothes,
shelves properly arranged, etc.

Pardon me - I got a swell
box of swell candy from some
mighty swell family today -
I think I'll have a piece - if there
is one left - I have to board it!
Mmm - perfect!!! "Season to you
I've Tasted that Before" - from the
song of the same name. So long
till tomorrow. I'll do my best to write

(over)

All my love
J. L. L.

Say, Ruth sent her letter I got today
via 3d mail the 6th at 10:30 p.m.
Yours was sent the same day at 1:00
p.m. via Air mail. I don't think
a.m. makes any diff. Compare the
time this takes with my last one which
was sent a.m. sure which is the better.
We might as well save a little money
if possible.
