Dear Small Pals!

Another letter today. Yours
come thru fast. This one was
mailed the 25th. Not bad at all.

They told us we could have
special passes to go to Denver but
they changed their minds. We got
the 2 day pass but couldn't leave
Colo. Springs. Some o' the guys want
any how but I like my work too
well to lose it.

Pomroy + I went to town,
to a show, + then on out to "Walker's"
place. Hit the creek in the
Canyon at about midnite. See,
it was nice to sleep between sheets
again!

We got up about 8 a.m., got

our laundry & dry cleaning & came
back out to camp. Don't have any
thing to do till tomorrow morning.

We left at 6 o'clock A.M. &
there will be an 18 ship for-
mation. We fly to some where in
Nebraska on a "mock bombing
raid" & will be "attacked" by P-47's.
Oughta be fun. There will be cameras
mounted on all guns so we "shoot"
em with food instead of bullets -
naturally!

Almost forgot - "Boss" & I
went out to see Theresa & her
husband last night. Talked for quite
a while & she invited us in
to a Steak Dinner Sun. mite. The
only catch is that our passes will
be junked Sunday noon so I'll either

miss it or go sat. I'm
 gonna phone her tonight.
The husband is a swell guy.
Poe told me that he wouldn't
track me for any other ROG
on the first. Sep. Sir & Maggie - yet.

Jake saw a picture of the
little gal from Trinken, Del. Not
bad, not bad at all but she
can't compare & Ruthie Cross -
not for my money!

I saw Bob Hunter up town
last night & he said he'd be over
to the Lonsdale today at 2 p.m. He
hasn't shown up yet.

Glad to know you're running
her, helped Grandma, Mom. Tell
her to be careful in the future.

No. you didn't meet Judd.
He's the one who just got married
& is our first Engineer.

George's Wife has gone home
but is planning to rejoin him in
Kansas.

Tell Sam I have a drink on
me for that cold & that I'll
answer his small letter soon.

I wanta catch up on ~~over~~
my letter writing - only 14
so till tomorrow

Love You All
Dean
