

ARMY TECHNICAL SCHOOL
A. A. F. T. T. C.
SIOUX FALLS, SOUTH DAKOTA

Tues. Morn:
1:30 a.m.
5-11-43

Dear Dad + Mom +

I only have about 15 min.
left before I go to school but
tho I drop you a line. Mom
keeps me pretty busy & I don't
keep up with my letters.

Mom - I am having a
real time. I don't know when
I'll be so happy as I have
since she got here. Once again,
I say thanks ever so much for
letting me have her out here
for a while & I sure hope
you ^{Dad + Mom} can both be out here soon.

We spent Fri. & Sat. at the
Service Club. Sunday we went
to church & it is a nice

hall 4:30 that afternoon & then
to a show in the evening - "Shadow
of a Doubt" - pretty good. Weather
came back to the store - packed &
went to bed. yesterday, I sent
her at noon to the U.S.O.
When she was waiting for
conclusion to stay the week.
You see, with her & Mrs. Towson
& Anna, all evening, I didn't
know how many to please
so didn't make any arrangements.
She came out all night the 1st: she
stays out here all Mon. night
& then two up town & Wed.
she goes to another place to
stay from then on - which
I hope is pretty long. I know
you miss her & are awful hot
but I'd more like to have her
with me a while longer.

After she had made these
arrangements, We walked around
quite a while & then I had some
of those 4 for \$10 & photos made
& then went to show, "Random
Harvest." We really liked it.
We then came back to face & I
got to bed about 7:30 p.m. & up at
12:30 a.m. Whew!

There's lots more I tell but
I haven't time for details. The
main thing is that we're having
the time of our lives & both really
happy!
I got a letter from you Sat. &
yesterday. Keepers coming.
Love You
