Dear folks.

I really should write a long letter after the mail I got yesterday + this today but we P. T. d the barracks today + it took all my time!

First of all, for crying out loud stop sending so much money! I appreciate it really, but I don't need it. I forgot to tell in my letter Wed. that Bob Ingraham sent me $12 + I'm really on top of the world now!

Yesterday I got the box + it was just like Xmas. The cheese + crackers were really swell

but are almost gone by now. The pipe it is swell. Also the cigs. cards, cig case, papers, soap, shorts, candy, malted milk tablets (I took 4 at school last night - one for each period. And your letter written last Sun. was really a whopper! Thanks for every thing!

By the way - I got a letter from Ruth today & it was really swell. Her Dad is being transferred again. Don't know where yet.

I won't be able to get your picture and not till Mon. You should get it by next Thurs. anyway. Be sure and thank the congregation.

Till tomorrow - Look like all - Miss you a lot dear.

Love Ellen
