Dear Swell Sgt. Oster.
People's 3:50
6-26-43

I'm very excited to write
you today but I hurried
by & went into town & went
to a show & swimming at
a really swell pool. It is
spring fed & is at least
4 times as big as the one
at home. Three diving boards
& a nice big game track.
Boy, it sure felt swell
to hit that water. I've
been going to town quite
a bit lately but it helps
take the wind out of "things".

I got your letter yesterday & rose today that was written Thurs. & certainly the "fix". Bay, is now came at the right time. I was just broke. I sure wish I didn't have to ask you for money! maybe I can do better this month. I'll sure try!

I also got a letter from that marriage Smith who went to Bu Lee H. & gives her is some talk. This person now & says she'd like to meet me & the Adelaide Hagen & some of the girls said to look her up. I'm going to phone her today!

This probably fig & pot!
Hope not!

This for Miss M. here
but I don't think it so much!
As you say, Dad, - "I'd rather
sweat than shiver any day!"

I'm going to summer Fuller's
letter tomorrow but will be
I wish her body of luck!
I know how disagreeable are now
& I'm sure if she has as good
care as I had she won't mind
it so much, after the pain is
gone. They keep her in for
21 days here for a appendicitis.

It sure was swell to
talk to you ~~you~~ thurs. night.
I came right back & slept.
I'll be glad when I can
sit across the table & write
& talk to you tho'. One
of these swell days I'll
be there!!

Until tomorrow - for
things of that sort - you
& you coming out soon!!

Love
To all
