Dear Family:—

Just three more days
& I'll be in the dough again.
I still have a good share of
the first lot but it'll seem
good to have plenty of dough
in my jaws for a change & to
get a smoke it last this
time!!

No mail call today so I'll
probably get two letters & a
box from you tomorrow.

This is a hot, lazy day & I
should be sitting or I should
very likely be asleep but I
don't get to get this off before.

I did go to sleep.

I planned to go to church today but the train got around it soon & I didn't have time to get ready. I'm going next Sun. for sure!

You know those women's trousers & told you about - well I decided to roll up the legs & sleep & wear 'em till they give me more of fit. They're really size 42! This morning, Bill Harris & I both got into 'em at once & Porthos took our pictures & then some of 'em above is my "zoot suit test". The cut is hardly clear to my knees & a guy who is way over 6 ft.

putting on. He & this day & they
will so long he had & will
is up about 6". Imagine
how I look in it! I don't
come - Super big, cool, & com-
fortable & plenty funny!!

The place is which I am
is in school now deals with
the taking of tapes & turning sets
& is very interesting. So about
a month I'll be working with
Luison sets. We go to school at
2 a.m. & stay in theory till
dinner time - 5:45. We used to go
to theory for 1 1/2 hrs. & then to code
till 5:45 but now we have a
half day of theory & half day of code
with a 15 min break & a snack.

is the middle of each. We wear
fatigues & school uniforms instead
of class A uniforms - Perhaps they
are much cleaner & it is possible
to keep khakis clean now. I
just go a bit out of the classroom
with you for yesterday.

I think I should have
last night but must know
till ~~the~~ tonight

They are planning to cut out
the night shift. But not
until some time after the
are supposed to graduate! No,
eh? huh!!!

I found Mary & Smith yesterday.
But she wasn't home & I went
I had only so far going to day to-
day.

We have been getting much
better food lately, but only
one cup of milk a day! I
usually drink a quart when I
eat by town. Today we had
pork chops, mashed potatoes,
salad, bread & butter, strawberry-
ade, & strawberry short cake!
Boy, was it good! Woman was!

I'm feeling well now days
& hoping against hope to stay this
way!

Till tomorrow

All my love to all
Good.
