Hi Buddy!

How goes the job? I'm addressing
this letter to ^{Corn} ~~new stand~~ ~~new stand~~ so that you
^{can} do what I want you to do & make a
surprise to Dad. You see, I'm kinda
busy that I forgot, at the time, all
about Father's Day so I'd like you to
take this to & buy him a nice sport-
shirt or something you know he'd like.
Just go ahead & buy whatever you
think best. Spend 5-6 or 7 bucks,
the rest for yourself, as you please.

When do you take your physical?
Be sure & let me know all about it.
It'll be a tough one so stay in good
condition & rest your eyes as they're
very important. Teeth too.

When you had a letter from
Emmy Baller. Sounds good, surely.
I'll have to meet the gal someday.

Nothing much driv. around
but I can tell you about. I know
~~you know~~ ~~my credit~~
will grow strong.

It's hot as hell here during the
day but cool at nite. Have a small
sun fan. How's you driv? Getting a new
one again this year, I guess. Have a good
tiny kid, cause once you're over here, you're
stays.

How about dropping me a line, pal.

Thony, Dale, & tell Dad that I
remember him but am just too damn busy
& keep track of things.

I'll next time ~~Be~~ Good!

Tell everyone
I say "Hi"
