Dear Family & Sun. After.

Here it is 4th of July & Sat
Sun or K. P. You see the other
day a ship came out & we were
all supposed to sign it. We also
had to designate how much
gov't insurance we had, how
much civilian insurance, &
if we wanted any more gov't
insurance. These ships come out
about every 2 weeks & I have \$5,000
in insurance & cannot take out
any more but still we have to
sign. We all thought that it was
a stupid thing if we couldn't
take out any more so in the

space provided for "any more
gost ins." we all put some
smart crack. Mine was W!
W! W! A couple days later -
yesterday to be exact - a guy
came by & said for me I'd report
I'd. I said W & he got smart
with almost all "90 day wonder"
& gave me 7 days K.P. from
10 a.m. to 4:30 p.m. He just
wanted to ~~give~~ an example
& we happened to be - for no
good reason - the ones. The
prisoner who called the mess
sergeant & instructed him to
give us plenty of tough & dirty
work. We told - after he asked -
the sergeant why we were on de-
tail & he agreed that such a
thing didn't warrant 7 days K.P.

so he gave us fairly easy work
& today told us that we could
take our regular days off & if
we had any trouble getting
our papers that the Surgeon St.
would see that we got in
a good pay! So unlike
"Sarges"! I don't mind the
work so much & I get all
I want to eat & buy choice
& eat plenty! So there you
see! Don't worry - nothing goes
down on the service record so
that you is all right! We could
probably make an appeal &
get out of it but it would
raise a warning & might get
us more! So I can take it!

It is saying awfully kind to
miss that is pleasantly cool
with a mid breeze. Perfect!

Once again, I hate to cut
you short but I am tired &
need my sleep!

Love
Maud
