Dear Swell Family!

This will be another short one as this has been a long & tiring day. Getting so that I go to bed anywhere from 7-9 & some any later. Guess I'll be a poor Rummy player when I get back. Will have to shut about it in the afternoon & play any length of time.

Rec'd your letter of the 1st. Yesterday I got the 20th & 22nd.

missed up. One time a letter by boat & another by plane. As off as they get here, it's ok by me.

So the V-5's think you got into the wrong thing, eh. Dale. They think that because you won't have it as soon as they do. As far as Navy-Army differences go, neither could get along without the other

& neither will join the war" alone.
son. as far as the Air Corps of the
branches, the Army Air Corps is far more
extensive & on a larger scale than the
navy has ever been. Don't get me wrong;
I don't mean that the Navy A.C. isn't good.
They are & do a lot of fine work but
in my opinion, & facts will prove, that
the work of the A.A.C. surpasses by far,
that of the Navy A.C. I am in a good out-
fit! Dad, & don't ever think different.

I am a good guesser. Dad! Pete
Schm... has been engaged & I know
longer than most people think.

I would like to see
big league ball game but I guess
have to wait till next summer or
still don't care I listen to em (Do we
Mom, Nana) but I love it watching.

So you got a \$2. raise eh, Dad.
Nice guess! Don't you agree with me that
it's nice work? Better is Nevego!

What'll Scotty get for discharge over
his arm? Yes, it'll be a dead town &
come back & but it'll be wonderful &
he can well be sure for him. He's done
a lot more than a good man!

So "Romy" finally passed
his mental for Anny's. I knew
his "Daddy" would want nothing go over-
seas but how in hell is he going to
stand being so far away from home?
Poor boy! It's a pity. Oh Mom's the th.

I think this \$75 for the month
I hope will finish the payments on
his ring & from then on the dough is
mine. Money in the bank. That's
it. Tell Norm that I sure do appre-
ciate the extremely credit & price. It's
good & know that your credit is that
good. I guess they still don't meet
Bakers too, eh?

The candy bars will be good re-
gardless of how they come thru. Mom.

And i'd love to have a fruit can
Also some cigars if you can get
any that'll stay fresh long enough to
get over here.

Have 23 missions in now &
were really getting up in the "upper
buckets" of information now. Exp.
Sir Ruggie. It sure is good to get
out of the Rye plant corner!

Well, it's time to write Ruthie
& then hit the sack so till next
time —

Love
Don All! *Don*

P.S. Tell Sarah that the next time
gets drunk, & she out of the damn
pig pen. What. Like to get off me,
cat when I read about that! What
gal!

"Pete" P.P.S. I'll write Pomeroy
about Pete & Donna
announcing their engagement.
I told him all about it a
long time ago & he really
got a high out of
it.
