Dear Family &

Well, another day of

K.P. & only 3 more to go.

Today I was assigned to the
dining room & spent 2 hours
cutting pie (primarily) &
opening barrels of bread. There
is a bakery on the camp now
& we get pie or cake quick often.
Then I had to put on a white
waiter's coat & a chef's cap &
work on the serving line. All I
had to do then was get the pie
out of the rack & see that the
group only got one piece of pie
& one piece of pie cream.
After that I helped clear the

mess him up & then got off
about 3:30. I then had to fill
out my laundry slip & take my
laundry bowl & supply. Then I
took a shower, shaved, & cleaned
my teeth & here I am writing
you.

Rec'd much big letter from
you today - written Sun. & Mon.
Your new stationery is really
rid. If you send me some, see
if you can get a double amount
of stationery to go with the en-
velopes.

So Jane K. is married. Is
she going to live in N.Y.? If she
is we need a guy as Wendell
Beck was, she'd be ok.

Went to god - these guys
are nuts. These guys are giv-
ing tips!! They'll probably

Have you doing it before long.
What is the army doing #3

Be sure to tell Paula I wish
her photo of truck & that she
can be thankful to be home &
have an operation.

I don't blame you for taking
your truck elsewhere, Dad. I
told you I was & I am in-
dependent. I quit taking the car
then long ago.

The only 4th Celebration
I had was H. P.

Dad, I wouldn't take too
many days off. You'll regret it
is there. Make as much as
you can because you have

I go back to school in the
fall. Last summer I worked
14 hours on the 4th of July!

Till tomorrow
