Dear Family:-

I'm here in the U.S.O.  
waiting for these phone calls  
again but I don't mind wait-  
ing. I have an appointment  
call with Ruth for 9:30. I  
said some time ago that I was  
going to make my money  
last this month. I spent \$5  
talking to her last week & will  
probably hit the same amount  
this week. She still hasn't  
written & I haven't written her  
for a week. I'm going to tell  
her tonight that I'm not  
going to write or call any  
more till I hear from her.

So crazy as H - about  
her but I have little money  
time as it is. I want to be  
a nurse for her & any  
other girl in spite of how  
much I love her. I  
won't gonna get away or any-  
thing - This just simply  
going to Ed. Lee!

I was in here about  
6:00 & place my will &  
sat down & write for &  
who should walk in but  
Bot Haines. I said he is at  
Hi-J Camp & he went out  
the B. Hall. He's from Tiffin  
& a real swell guy. He has

hospital when Bob left.  
Bob has passed all his  
Cochit exams & expects to  
ship before long. He has  
a date with Marilyn Fox  
tomorrow night. He had  
a date for baby to or left  
with him. He had  
I leave at 8:00 but I'm  
going to plan on seeing him  
again soon.  
after I left him I spent

nice long trip. ~~ride~~  
out there "Mortgage Lane".  
It was nice. Felt good  
to ride in a car again.

When I first got up  
here at the U.S.C. - about  
20-30 min. ago. I saw  
I talked with Ed who is  
charge about those Nat.  
Geographics & he said  
he'd like to look at them  
himself & that it was about  
to go by me. He didn't  
get here. I'll send you  
the complete address now.

said that the sergeant had
