Dear Family:

Boy, am I sitting in
the weather! Right out in
the hot & strong So. Dak. Sun.
getting a sunburn.

I got a well thought cookie,
cupcakes, & candy from Grandma
& a well letter from you guys
today.

My cold is much better today.
It was quite warm when I
went to bed yesterday so I just
pulled the wool blanket up
over me & sweat a lot of it
out. Am going to do the same.

today.

I have a packet for
you & some work papers.
Sabot passed 18 again
last night but no soap!
We are working on M 274
Commodore Sat now. Last
night all we did was see
how many stations we could
get. We all got quite a few
& most of them were just cold
coming over. I also passed
both 4 & 6 w.p.m. in Hinkley
last night.

Say I guess old Vinny with
rank is showing the boys again
we heard part of the Navy Vamper
game yesterday. Pretty good.

SIOUX FALLS, S. DAK.

They finally are really pouring
it to the "Lyties" in Sicily. I've
got a hunch that it's really
gonna be a bloody mess
right there. After they get the
Japs things should really
start popping!

Gosh, I owe so many
letters I'll never get 'em
answered. I'm gonna see
a lot of japs tomorrow.

They are trying to get us
to go to work on farms on
our days off around here &
make about 5 bucks a day.
I've got a half a motor to
do it. I could stand work.

good labor & also some of
those good persons worked
meals! After we graduate
& are waiting for shipment
they put us to work here on
N.P., or Coal Pit, or Tabernacle, if
we haven't worked on the
farms but if we have we can
work some of the graduates
& make some dough. What
do you think about it? It
would help the farmers a lot
too.

Till tomorrow
Love to all
Rena
