Mon. I start I'll be laughing

too spending too much money
having a good time & keep my
mind off things. It works the &
I've had a better time the last
4 nights & days than I've had in
I don't know how long.

Boy, that was quick work!
I only had to wait about a
half hour.

YOUR COMFORT IS OUR BUSINESS AND BUSINESS IS LOUSY

It sure was swell to talk
to you. I don't ask for
money but it's a swell
thing to get a long without.
You all remembered swell &
I hope you are having as
good a time as I have. Will
really have some good times
when I get home. The song
"Wonder when my Baby's com-
ing home" is playing over
the radio. I wonder when he
is too! About next year, I
suppose.

I'm sure glad you finally
got the father's day card. I have
been going to send this other
one but didn't get around
to it. Glad you like it too. It
seems a lot & one that you
get it.

Yes, I guess now that it's
all over, I can tell you
all about it. Can you go
left, soon, for these taking
treatments or say return
from the operation I had.
Sorry but I was. I had to
go over to the hospital & hit
the Dr. (Capt. Minors - a really
well guy!) put on a rubber
glove with grease on ~~that~~
a finger & was the finger
up my — + pushed the
scar tissue so it would heal
up right. You see, it had
up to tight a fist & he said
that if I had it, had it stretched
to right away that is 600 ms.

I'd be practically without
now ~~and~~ I would have
had to have another much
more serious & painful
operation. So for the last
years. I've had the same
same troubles & wonder so
they're really all right. And
I think now — it was
my fault! Thank God it's
over!

I didn't get my mail from
you Fri. or yesterday ~~but~~
& now today cause it's Sat.
but I suppose I'll get a couple
tomorrow.

I did get one from Ruth
yesterday & believe you me —
she has changed in time!

I guess I'll write her
tomorrow. From now
on, write her when I
see from her.

Till tomorrow,

Love
to all
John
