Dear Family:-

I am sitting out in the sun on a calisthenic stand with teen. We should get a nice tan before long. Boy is the old wind won't stop this!

I'm writing early today so I can sleep after P.T. I get 8 hr. sleep every night - & how lovely it is to sleep nights - but can always use more.

I forgot to tell you about this: Last Mon. after P.T. I took a shower & changed shorts & just threw my dirty ones on the floor alongside my bed. When I came home from school that night, I smoked a cigarette in bed & just dropped.

it into - I thought - a bath case - but
instead it fell on my undershorts
& I went to sleep. I never knew a
thing about it till the next morning.
I guess the whole place was full
of smoke & there was a piece
about the size of a half dollar left
of my shorts. Boy, did I get
sizzled!

Boy, did I ever have a shower
of laundry today. 2 weeks of it:
1 pr. fatigues, 1 pr. coveralls, 10
handkerchiefs, 10 pr. socks, 5 pr
undershorts, 4 undershirts, &
one towel. Thank God I don't
have to do it!

This C. stand is right in the middle
of the regulation ball field & there
is a ^{softball} game going on. There's some
pretty good players here.
