Dear Family:

No mail yesterday day sorry -
H I'll get some today Hope
so.

I've just come back from
Tennis like - only about a
min. walk from mine.
We think we'd like to have
you come out the first
or second week of August.
We'd be quick ~~and~~ fresh
with "Chuck" then & we are
both pleasly anxious to see
you all!

Mail Call! Ahh! Two
swell letters from you &

They cover last Sat, Sun, &
Mon. Thanks a lot for the
dough, Dale. Still really
come in handy! You & I am-
prised how much it costs
to do anything out here. Es-
pecially to get a good big
meal.

Time for P.T.! Will finish
later —

Later:
5:15

I have had my shower
& taken my laundry down.
I missed about call & so
did some of the others.
They are down at the P.K.

getting a fee. I'd have
gone with 'em but I
missed. too many letters &
you lately so I that I'd
better finish this one up.

Day off tomorrow! Oh
Boy! Swimming, Show,
I think maybe the Dakota
& dance.

You won't know me
for then when you see
me. I'm really getting
shook! It's hot here all
the time but the nights are
cool enough to sleep.

Boy this tactical Per-
cedure in Cook is really

complicated! They shoot
it & as no danger just
you have to fight like
the devil & take it all
down & remember it! Nav-
igation is "some what" com-
plicated so but is plenty
interesting.

It's almost time I started
to school so till tomorrow
morning, to good & think
of me as much as I do
of all of you —
Sincerely
J. W. D.
