

Fri. After

12:30

Dear Sewall Monday: 7-30-43

Here I am after missing
a day of writing. Yesterday
was my day off & so
I left early & came home
late. I got a well letter
from you & a letter
in the mail yesterday.

Rosetti & Duke Jones visit
two guys in my class who
are from California, & I
went to work about 11 a.m.
& had a big meal & then went
out to the pool & swim & lay
around till about 5:30 &

went up town to a show.
Saw the picture "Bataan".
It is really good. We
had meat & etc. a rather
big meal. There are ³
German Messerschmitt 109's
& " Junk, & co. that
plane on display here
so we paid 30¢ each
went in & see it. It
was very interesting that
was. It is really a plane!
There had to be seen in
contact & shot down but
was not in pretty good shape.
But - there isn't a bit of
more playing on there.

It's suicide to go up in
a place that doesn't even
have armor plating by the
window. A 22 would penetrate
the metal roof. They
call 'em "flying coffins".
Whether I went up to
the Cupola & danced a
while but wasn't I crazy
about it so we went up to
the dance & really had a
good time. His room or
has a dirt but there were
some pretty nice girls
there last night.

-4-

We ate again about
midnight & then came
back here & went to bed.
Didn't sleep. I got up
~~at~~ for mail (5p) this
morning as I kept it
about noon.

Well, Dad, it doesn't look
as tho' I'll get to Europe
but I'll let dough I
get over in the other
theater & see what I do.
I am hope so!!!

I was supposed to send
you a Telegram yesterday
to ask you to set a date

I come out here so we
can arrange a place for
you to stay. If you wait
much longer, Duke will
be in school & will be
fresh right after to mor-
row so if you could come
out this week or next week
of August, it would suit
as fine.

Yours truly

Love
J. H. Shaw
