Dear Family:-

I just finished writing Ruth. I got a letter, a snapshot of her in her graduation formal, & a little "greeting" from her yesterday. It was really a nice letter. Even it does her good to let her know I can still be independent.

I went to town this morning & got my check book. The clerk there charged me a dime a letter for the engraving - \$2.30 for name & serial no.

Also bought a ~~new~~ dish &
a new cap. Got some
dry cleaning & had a nice
big meal with plenty of
milk!!

Got gone Sun. After
today & Sat. yesterday. The
other ~~man~~ from Rudy was
quite interesting. For a guy
who doesn't like the army, he
sure gets around doesn't he?
Boy, they're sure giving
Harrington a taste of what the
English got for so long.
They asked for it - let's
see if they can take it well!

So you are already planning
to come & see me at my
next race, eh? Good!!!
Hard telling where that'll be -
Arlington, Texas, the Vegas, Nevada,
Kingman Arizona, etc. All
the gunsmen who are in the
South West. I'll sure be
good to see you again.
Only 2 weeks.

I have to work & then go
to show so till tomorrow

Love
J. Howard
