was waiting.

Hope I get some mail

I was talking to a man
looking just who works in
Sydney. One spoke this
morning, & he said she knew
Marilyn. He was short
black hair, dark & fat &
fun. Would have to see. Here

I was going
as an ordinary today
but I was too lazy to walk
out. I got into town about
11:00 this morning & ate a
nice big breakfast with
a guy named Lil. He
is Spanish & used to work
in our own an island in the
Mocosmo Lake Club in Kala-
wood. He is really a swell
guy.

If I don't get a date
I'll probably go to the Bikini
or Pinnacle for the evening—

that is — after I eat
again. Boy, how I
love that meat!!

Well if I don't pack-
'back' — & I'm not planning
on it, — I'll only have
5 more weeks of school. I'll
now be glad when I'm out
of here & then gunnery's
school. I got corporal out
of here & Surge out of
gunnery & before I go over-
seas I get 'stuff'. Warm-
Warm! The gunnery be
wice. I have more or less
stuff. If only everything
will just go right!!!

Given that isn't
much more I say
today we get that
