Dear Family +

Just got back from
the range. I have to go
out again Thurs. - Long
day off - & shoot at the
practice range & then later
will have to go out & try
to qualify for a medal.

Got two Squirrels
& some other small
Sats. today. Got a letter
from you & one from
Ruth yesterday! This evening
wounded all right I guess!

No, I'm sure I won't
get a Squirrel after I

-2-

graduate. Since I'll just
have to wait till the end
of summer school & am
assigned to a permanent
squadron.

Teon is going to see
about a room he has
lined up. He will attend
to it Fri. when he goes to
town. I will see about
Duke's room if Teon gets up-
town. Have suite. If not
I'll go up the 1st afternoon
possible. Probably Sat. Don't
worry. I'll see to have
one for sure this time.
I'm sure Teon will find

a nice place for you
guys.

Yes, Dad, things are
really going ok now.
Now that I have those
mopes tucked up, I can
follow the war a lot
better. — Ohaw!!

Saw Leon in the dance
hall & went to the P.K.
with him. He's coming
up to the the tomorrow
morning. He's just as an-
xious to see you guys
& get here. We'll gonna
be a wuph mighty happy
guys in about a week. It
seems like a long since

we've seen you.

I hate to end this so
soon but I have to get
washed up & ready for
school so till tomorrow

Love
Shirley...
