Dear Family +

1:45

I haven't much time in which to write because I have to go out to the range today & shoot for sport. Yesterday was just for practice & the other days were a good introduction, etc.

I went into town today & made a reservation for you at the I am C. & D. Park. While I was up there, I went up to the gymnasium & had an afternoon workout very quiet - must be my athletic

fect. This must more
effective than they could
do for me and I am & they
might want to put me in
the hospital to wait for it
to heal & I don't want any
more of that kind. So I
expressed I got out of here
- soon -

On the way back from
town I recognized a Turk
Serge who is in our
ordnance room & when we
got off the bus, I asked
him if there was a
chance that I could get a

pass night after school
Wed. night - 2 a. m. so
I could come up town &
see you guys & spend
the night with Dale. He
said he was sure he
could arrange it & that
I should come up town &
see about it. How does
that sound? The fudge who
got me the pass the
last time you were here,
shipped overseas. Or
did I tell you?

I met a guy on the
bus when I was

4-
going up town who used
to be a counselor at
Camp Nelson Dobb - the
Hi-Y camp that Beatil,
Sears, & I went to. He
knew all the instructors
I had met up there:
George Campbell, Arthur
(superintendent of Woodville
schools), John Wilson (the
guy who was my counselor
& teacher in Mansfield), Doc
Lockhart, Dr. Fiddle (of
Ohio Wesleyan) & others.
He was really a swell guy

— a staff Jorge & his
getting a football mess.
The lucky dog!

Guess I'll be in
soon.

I got it back about
8 last night & met the
guys & ate. Went to the
Dance & danced &
had a beer. Came home
about 12:30.

Don't expect to qualify
today because - it's Fri.
Don't 3rd - Ha.
Love Steve...
