Dear Family:-

8-14-43

Lessons as the. I have
I had all my letters
with - "every but his
afraid this will have a
heard." Honestly, I
have a devil of a time
to do every thing I should
do in the little time I
have & do it.

I was in town again
this morning & got all
other part went on my
orthotic feet & get a hand-
cut. I don't have to go in

to come to because the
guy won't be there but
I'm planning to go to
church so my time is still
short.

I have to fall out for
contributions of \$2.00.

Not for record on
the post of wage yesterday.
I qualified for records -
more by getting 67.3%.
I needed 62% to get it.
75% for Sharpshooter &
85% for expert. I wanted
I said like the devil to get

more but couldn't make
it. Maybe some day if
I can get a fax in front
of me I'll get spent. I'll
bet on it!! Not everyone
made it. No one got
spent, about 5 got sharp
shots & 10 or 15 of us
were out of 40 or 45.
They awarded us a medal
I wear & the Lt. congrat-
lated us.

Got letters from you
& one from Lulla. She
was pretty disappointed
'cause I haven't written so

I think I'll skip school tonight & write her. I wrote her a card this other day but I guess she didn't get it. She says she is sending a box.

I got your box of candy & the old spirit yesterday. I sure was well when it landed. Thanks a million!

Fren was here while I was in town. Guess I'll have to look him up tomorrow cause I

don't have time today.

Those potickers over
at school have added
another week of school!
Honest & Christ - many
times I get close to the
end. They add some more
on. It is more work
this time. I'll sure be
glad to get rather here!
Time is almost gone
till tomorrow
Love Shirley...
