

Sun. Morn.
after

12:30

8-15-43

Dear Family,

I wrote Lulla last
night during show - at
4:00 before I went to
~~school~~ I guess she & others
feel quite badly because
I haven't written & cannot
think I have lots of time.
Oe Gode, I'm going nuts
now for lack of it!

I have seen a show,
seen tears for a couple
minutes, shaken my blanket
& made my bed. I still

- 2 -

have I think some
shoes & many more
- after I said is short.
I'm going baby!

I haven't even read
the news for 3 days!!
I have a huge radio going
now & the chief news seems
to be on the drafting of letters
& the raising & collecting of
the demands.

I bought a Sunday
paper this morning because
it has some pictures of
the base here. I'll send you
a few in another envelope.

I wait all week for
this day because it is the
day I phone home! I
will phone right after
school tonight - 2 a.m.

If it is too late some, say
so & I'll try to find some
other time but it's so hard
& get the Chicago Post-Sun-
times wait home & this don't
get you. Home is small
that I can call you so
often. And it's going to
be well to see you all
again. I wish you could

come out Dad. Be sure to
keep that extra seat in
the truck cause I want
to go with you when I get
home. How is everyone
at home? Tell 'em I say
hello & good luck.

Yes, some roads like
Louie went! Ha ha. I sure
hate to get a delay enroute
- 10 days & get somewhere!
I'll be home first! I know
I won't get out the cause I
go to gunnery school from here
& if you are going to a school
you don't get out. Darn it!!

Tecum found a room
for your girls & says it is
small but very clean
& nice. Costs you 1.50
a day. 75¢ each. That's
not bad is it? Here's
the address:

Mrs. Kemper

914 So. 1st St.

TELEPHONE 2599-5

I got out of school at 2:30
& should be up back be-
tween 2:30 & 3 a.m.

I'll just come out there
& meet you & Dad & I

can come back up town
to the Y. M. C. A. He can
go out there with you fight
+ help you with the boys.
Boy that night of school
is sure gonna be slow!!

Where is Bob going to
Tennessee? I wish
I were graduating next
week - it'll be Sept. 16.
if I don't work back. I'm
sure gonna try to make
it!!

Till tomorrow -
Love, Howard.
