Dear Dad.

Well, I guess right now that Mom & Dale are getting all packed & are excited about coming out here & you are hoping & wishing you could come. I wish you could do. One thing is a sink mirror is more expensive than I'm I get home again!

When you get this I'll probably be with them. It's and gonna be swell.

I don't have much time

I write as you can see by this heading.

I got a letter from you yesterday & today & a box of candy & cookies from Sheila. They didn't last more than 10 min. Tell her that she is a mighty popular girl out here. Also got a letter from Bob. a fraternity or something

I was in town again
this morning. Dave sent.
Babs word (for sure) with
Jay. C.T. They are going

I'll have it until a few
days & get a room. I
