Dear Dad:

Just a note because
that's all I have time for.
Just got home from home
& am ready to go to the
school for another week.
I get the fine fine kids
come. They are the next
six days. With me here.
They're making it a tough
that I need it!

We're having a swell
time out here. Mom is

tired & Dale is afraid he
 won't get a chance to
 spend his money. He
 has a room in the "1"
 now. \$1.50 a week & it
 is very nice. He seems
 to like it all right. See,
 but that kid is getting fat.
 He's much thinner than
 when I saw him but he's
 got plenty of frame work to
 put weight on.

Got a letter from
 Ruth yesterday. Sure
 wish I could see her too.

haven't had time to
study yet or read
the paper so I think
I'll better put it by &
write some more ~~to~~ by.
Tomorrow - so tell
them - we are all think-
ing of you & wishing you
were here.

Love
Edmund...
