Tues. Morn.

Dear Dad:-

I wrote you just a few hours ago but I felt that as long as I had some time, I'd write. You see, we are having short arm inspection at 12 or 12:20 & I have D.E. here for that I didn't know if I'll go this morning so I walked out to the gate & mailed all & got in

with Dr Hyde + Ray walked
home & the operation
with me & then took a
line for the Service Club.
Then has the "hostess"
to go we'll going round
then afterwards. will
have 3 ½ or 4 hrs. will
be glad.

Tomorrow Tom & I
are going in & then Thurs.
is my day off & Tom
is too. I think we'll phone
you Thurs. Love.

Mom got a letter from
you ~~yesterday~~ today &
one of Jim's and
Rudy's letter which I'd
just read. He was
quite an interesting
letter. I guess, in spite of
the fact that he has
been overseas for a
year & many adventures,
that shouldn't give about
not getting a furlough so
soon now or soon!

This is where I quit
for the inspection! Now
it's 1:50 - Wed. after - 8-25-43

First of all, I want to thank you a lot for the fish. Mom + Dad are doing fine with their money & wouldn't let me spend my own, if I had any. Syd paid us back.

I send from you today about Ted. Yes, it's too bad but from what I've seen, you're not happy. Even so they were companions. I don't imagine she'll ever marry again. Often my sympathies

Dept! I didn't go to
town today because I
haven't been going to "P.T."
since the "well people"
have been out here & yes
today, I got caught. I
think someone got me
because I was getting
away with something &
nabbed me. I got
7 days restriction & ext
post & have to walk
guard from 2a.m. to 3a.m.
for [illegible] nights.
I'm going to see if I

could get the restrictions
lifted for this week-
then the duck punch-
meet next week. If
I can't, I give Mont Dale
will have it over not so
the post every day while
they're still here. If I
ever find the guy who
squealed—!

It's almost ten for
P.T. so I'll quit till to-
morrow

Love Stan.
