Dear Dad:-

I just got home from
dinner here. We had a
big tenderloin steak &
boy was it ever good. I
was going ~~the~~ down to
Teen's this night after
Dad & we are going to
go over to the movies also
& get passes for this
other for tomorrow.
We are going to
win it!

Just had mail call
I got a letter from
you. I'm sure glad
you write about the
news because I never
have time to read the
paper now that they are
sent here.

Dick Fortney & Dick
Drain both are eds now
that they have graduated
- you see they went to
grammar before coming
here I were down here
this morning when I

was in town. They
are getting furniture
out of here. ~~They~~
Doug Willard was also
down when I was gone
so I'll have to look him
all up one of these days.

But wish I had been
able to phone you last
night to but I just couldn't
make it.

But I'll have to quit
Dad cause I wanta study
a little so —
Love Sherr...
