Dear Dad:

Well, I guess Mom, Dad, & Dot are just all about getting on the bus & leave for home now. Teen & I couldn't get off to see them go but maybe it's just as well. We were hated to have 'em go! We were down to the house & ate today & took some pictures & then we all took a taxi out to the gate of the

of the camp & mid our
good byes. Every one held
up fine. I was more
glad of that cause I wasn't
feeling too happy myself.

Jim suggested I get
my final cook report check.
& Technical Procedure test
tomorrow night so with
me some more luck!!

I told mom I send a
telegram as soon as I
know for sure whether
I would graduate or not.
I'm going to phone

Thursday Eve. If Ruth
is still in town, try
I have here that so I
can ~~find~~ two brick with
one stone, will you?

I used to think college
was tough & a grind!
After being here, I'm
convinced that college
will be a snap & I'll
have some rough
& study when I "come
home" for good!!

I don't have any more
mowing & do in P.M. for
skipping those few days.

If I didn't tell you about
that, ask Mom & Dad &
they'll tell you.

I want to write a
addy of mine who is
over in the hospital so
I guess I'd better close
until tomorrow.

Love
Gloria

P.S. Thanks for letting
me have ins for a
while, Dad, & thanks for
every thing!! "Petty" II
