Dear Folks:

Well, I hope you
are still pretty good from
your trip home. Did you
have a good time? I
sure hope so. Meet any
old pals on the way
home, huh? Not good enough,
eh? M-h.

I sure was such
having you out here but
I can hardly wait till
I see you all again!
In about 5 or 6 mos.

Not paid today \$46.

Went down & got one
of those watches & they
are all out. If they
don't have any at the
main P.X. I'll just let
it go. Just keep mind
that cause it's too good a
watch & have around
in the army.

I don't think we'll
have P.T. today so I'm
going over ~~the~~ to the
Saw or Service Club.

I think I'll go down & see

if I can want to go along.
 I didn't get any mail
 today so then doesn't seem
 to be too much to write
 about. If you see Miss
 Carr after you get there,
 tell her she has a damn
 right more time than I
 do & she should hit those
 Mamas alone for one night
 & write me a letter - if it
 doesn't lay her ambitions
 too much. I don't know
 of any guy around here

34.
who waits as long as
I do for word from his
girl. I'm getting mighty
fed up. Any day a
civilian should have more
time than I do, I'll come
home & help him—!
