Dear Pat:-

Hope I get some
mail today. Probably
will.

Had my Tactical Pro-
cedure Test & Cook Sport
Check last night. I
passed 18 W. p. m. & am
quite sure I passed the
other one too. I sure
hope so. If I did, I
only have 11 more
school days. Oh happy
day!!

How is foot ball coming,
Dale? I sure wish I
could get home to see
you play but I can't.
Have you seen Ruth?

How I'd like to!!!
Boy,

I sorted my laundry
to see what it is today. Had
16 pr. of socks, 10 handkerchiefs,
3 bath towels, 2 face towels,
fatigues, & laundry bag.

Told you I didn't need
any more socks. Mom.

Day off tomorrow &

phone you guys. But -
remember I will not
going to talk in long re-
cause it costs too much.

I went to the spa
on the port & then to the
Service Club yesterday.

It sure is a bad place
without you guys there.

I had a couple sand-
wiches, 3 milkshakes & a piece
of cake before going to
school. I also got my
hair cut!!! You
should see it - it's

4.
really keen. I'll send
you a picture of it.

I also got my grad-
uation pictures yesterday. I'll
enclose both press things
not for but not too good
either. I got 2 dozen (1 doz
of each) for a lot of in-
terest already. Some
as the very best one.
To send vermin away
I hope. Ha.

I'll get them & then
tomorrow & send in out.

I had a devil of a time
getting Mr. Lapham to cut
my hair off. He was
as bad as Leo. He wanted
to give me a "short part".
But I finally convinced
him that I knew what
I wanted. I was going to
send you a couple of the
"waves". But that's better of it.

Ma Ma.

Boy, if they keep on
over Berlin, there won't be
much left. Blat it off

to
All force of the earth,
& then blow the whole
island of Japan into the
sea!

Same that's all for to-
day as well tomorrow

Love
Shannon

PS - If you would either
of these enlarged
let me know right
away - I can get you
8 x 10 black & white
for a \$1.00
