Dear Folks:

I am writing this in the hotel lobby while waiting for Romell + Zen~~ow~~ick.

We graduated this morning + had very nice exercises. I will enclose the program in this letter + send my class book + diploma in a couple days. I'm really happy to be finished with radio school + now that it's over I am mighty glad I chose radio for work in the army.

I'm afraid this will be short or I'm nearly out of ink +
