Dear folks:

I have several letters from
you & 2 from Ruth to Wasson
& lots to write you about
Mexico.

First of all, Mrs. I shot
of you of the yesterday & hope
you received & appreciated my
telegram which I sent Sat.
night. Also hope you'll be
pleased with what I bought
you. I couldn't get Nylon but
did get pair of silk hose.
A white woman who lives here
in Luedo, Texas helped us be
sure they were real silk &

justified as that some weren't
mybr. I also bought some
things for you, Dad & Dad, &
one thing for the three of you
& your guests. I won't tell
you what they are but will
send in to you as soon as
possible & let in for a sur-
prise. I sure had a lot of
fun "jiving" those mess down
on some of the stuff. I'm going
to have another guy get me
something like what I bought
Ruth next Saturday, Mom.

I went to the Bullfight &
will enclose the ticket. I don't
have time to tell you about it &
rite cause I have to go to

Cool class tonight. It was
wonderful & I wouldn't have
missed it for any thing. They
have a peculiar way of valuating
the seats: \$1.40 on the lunary
side & \$2.40 on the shady
side! I sat on the sunny
side - & in Mex. money -
six pesos. I really had a
great time & a good many ex-
periences. Was a very good
boy tho! I will say that
Mexico - or at least Mexico
Sando - is a filthy hole!!
Too of said I'd never have
time & tell you all about it so
I'll just let it keep till I come
home. I'll never forget it

no regard of how long it
is before I get home, I'll be
able to tell you about it. You're
taking Spanish aren't you, Duke?
What is he sending you, & what
I can tell you, someday, I should
get you some good junk in it!
I'll put the prices on the
things I send you & how much
I feel & pay for 'em.

I spent all the money
I had but got \$2 from
you today & so I am
ok again. Thanks a million.
I'll also enclose William
Shulz's letter. I won't be able
to write you much if it has
& be that small!

School is sure going fast. Two weeks gone already & only 4 more to go. This week we get 24 hours of the Consolidated Tail Turned. I guess that's what I'll be in. It's ok by me! It's supposed to be a dangerous spot but it's well protected. We go there all afternoon (4 hrs.) for 6 days. The rest of the day (morning) is spent: 3 hours on .30 & .50 Caliber & 2 hours a day on the mal-function range! I didn't meet Ward & go to Maico but saw & had him ^{as} in shadow for a while. All next week is spent on the

range shooting all sorts of
guns. Then the 5th & 6th & who
all spent flying & aerial shooting
at a school which is tough!
Cook Mon., Wed., & Fri.
night. Tomorrow we get up
at 5 as usual, school from
7 & 12, & then from 1 & 5,
& then P.T. till six, then school
from 7 p.m. & 10 p.m. 14
hrs. of school, 3 hours of
food, & 8 hours & sleep,
eat, shine shoes, get a hair cut,
& write letters. Sooo. Sooo
afraid I'll have to skip writing
tomorrow. We have to go to school
Sat. night too. Hard to say
about show. mite! Whew!

See, I have lots to tell you!
But I just don't have the time
to do so.

Till Wednesday night—

Love
Gladys
