Dear Folks:

I was sure well & talk
I was this morning. I was up
& at restaurant this morning &
eat & so I put the call in at
10:15 & went on eating. The
operator told me 2 or 3 hours be-
fore in the morning. I happened to
notice a woman talking on the
phone & asked him if it were
a long distance from Ohio.
He called the operator & said
it was so from I was. It
took less than half an hour.

About flying home: I would
give me more time at home -
maybe. I say maybe because it
is very probable that I'll lose my
seat somewhere along the line.
And then, too, it's cost me less
than \$100 to fly home. I would
take me ~~about~~ ~~a~~ ~~lot~~ ~~of~~ ~~money~~
home. I have to ~~pay~~ ~~for~~ ~~it~~
I'm a train from New York.
Cost \$10. To fly to Detroit costs
\$90. There will be a lot of
Priority business men flying
at Thanksgiving. I think if I
fly, it'll be paid & plan to fly
back & I'll take from there.

When I go home, I'll
undoubtedly go thru Cincinnati.
Ruth will be home
Thanksgiving day but has to be
back Thursday night for school
Fri. or rather trip etc. I
will probably have home a week
from Wed. (the 24th) and
arrive [redacted] at 8 a.m.
Friday [redacted] - day after
Thanksgiving. I'd like to go on
to Oxford - Miami. We pick
up Ruth & come over to Bee
Lee Fri. night. I'll probably
be allowed 6 days traveling
time 3 to get home & 3 to get
back & still take. That means

that I'll arrive in Ba. de Tri-
mite & have I leave Mon.
on Tuesday (6th or 7th of Dec.).
On the other hand, I'll probably
be smarter & go from St. Louis
& Chicago & I Toledo & have
Kath come & see Ba. de Tri-
mite. I think I'll do that.
I'll go. I'll wait & wait & wait
how for a few days,
I'll just wait walking in my
I won't be able to wait!!
Not that close & home could
I wait an hour!!

It's almost too late to write
much more so till tomorrow

Love
John
