Dear Folks:

This lambough is driving  
me crazy! I used a letter  
from Ruth today & she  
can't get the week off but  
by lying can get to Bee See  
for at least one week end.

I sent her a telegram tonight  
& told her to make it 2  
week ends & stay for the week.

The poor girl hates it & is at  
a loss as to what to do. She  
even mentioned quitting school  
but I set her straight on  
that! One thing is sure -  
when she is at Bee See

neither of us will get any  
sleep!! Gee, I'd liked  
more fun but it's too  
slow.

I've decided not to fly  
home but can't get a train  
before train time or fare  
till Sat. As soon as I find  
out, I'll let you know!

We got paid today \$46.  
I've already spent \$8 on  
my cleaning & a new hat  
like the one I bought in S.F.

I'll probably arrive in  
Toledo sometime a week  
from this Friday.

Had a test in civility  
50's today & saw a ship  
of movies. Passed the test  
ok but have some more  
coming in June & more  
in weapons. Fly tomorrow.  
I didn't do too bad  
in firing last week. I hope  
I can bring it up this week!  
Want me back cause I'll need  
it!!

No more time to write &  
his dad tried anyway.

Only one thing I'm  
afraid I'll need a little money  
'cause I want to buy another

<sup>-4-</sup>  
pair of shoes. I'd be con-  
tent with the one I have but  
they don't look too good &  
come home with 4 birds  
for worn shoes for nearly a  
year. And I'd have to put  
out some good change for train  
fare. I also want to buy  
you gloves & knit gloves wings  
— if I can! I'm afraid  
I'll need nearly \$20 but if  
you can't make it, send what  
you think is reasonable. Thanks!!

Till tomorrow —

Love  
Shaw.
