Dear Sweet Folks:-

First of all, before I for-  
get it, see if Leo Lake has  
a Sunbeam Shaver - \$15-  
or one of a good make. If  
he has, send it to me & I'll  
send him the do-u. - in for  
it. I never could use one  
before but I tried one this  
morning & my head seems  
to be stiff enough to use one  
now. It will save a lot of  
time & trouble. It's getting  
to the point where I could  
use a shaver every day but  
isn't succeeding to get done

2.  
real close + it takes twice as  
long + is ~~only~~ twice as much  
trouble to use a razor with  
safety. Especially when you  
have to wait so long for a place  
to shave + this seldom ever  
any warm water. Let if  
you can get one one, will  
you? Thanks a million!!

This will be short & -  
came I want to school at 1:00  
this afternoon + want to visit  
Ruthie, too.

I rec'd a House Card from  
Mama + Frankie today. Think  
I'll try to drop in a card to

dog & then a little later on.  
I've had my clothes in  
this cleaner since a week ago  
yesterday & still can't get 'em.  
Such lousy service!!

We aren't allowed to send  
our stuff to the laundry, either  
so I guess I'll have to wash  
it myself. Grrr!!!

I'll let you know more  
about school here when I know  
more about it myself. All I do  
know is that they give us a  
3 day refresher course & then  
give us a test if we pass it  
ok & if we don't we just keep

-4-

going until we think we  
can pass it. I'm going to  
try to make it in 3 days but  
if I don't, I won't feel too  
badly about it.

As soon as we make this  
we lay around here for a  
couple weeks awaiting shipment  
& then go back to the Air base  
at S. L. C. & await assign-  
ment of a crew. It may be  
2 or 3 weeks there too. They  
send us, I suppose there too. We  
don't have any doubts of passing there  
this. It's just to keep us in  
practice & get detail while  
awaiting shipment.

Guess this is all for  
right now so till next  
time —

Love, Kisses, & Luck  
to you all
